# BIOS:

**Skylar Shaffer** - Skylar is a senior and the president of ITS. Despite the conditions, she is so glad she has still been able to collaborate with others in fun theatrical ways. This is her 2nd 24 hour play she has been a part of, she hopes you enjoy!

**Michael McDonald** - Michael is a Junior and is really excited to try to make the most of this year while also getting to spend time with friends.

**Kristina McKirahan** - Kristina is a senior and is excited to be a part of another Hammond Theatre production.

**Julia Steinberg** - Julia Steinberg is a sophomore and is very excited to be a part of the 24-hour play in almost as many ways as possible. She's incredibly proud of everyone who made this happen even in this virtual world.

**Sydney Johanna Finger** - Sydney Finger played Abigail in the short play, Eat the Rich. She found it wonderful being able to perform in the 24 hour play and her group (Riley W. and Matthew D.) was collaborative and supportive of each other. Knowing that theatre is still possible and fun in this situation makes her extremely happy and she was so grateful to be a part of this! She wants to thank everyone who made this 24 hour play possible!

**Isabel Moskov** - Isabel is a junior and is excited to be performing again. This is her second 24 hour play.

**Rachel England** - Rachel, the publicist for ITS, is excited for her first 24 hour play. This is her first time directing and is happy to work with such a wonderful cast and direct an amazing play.

**Riley James de Leeuw** - Riley de Leeuw is a Senior at Hammond. He is happy to return to another production!

**Isabel Sinnott** - is a senior who has worked on the Lighting Crew at Hammond for the past four years, and is excited to get to work as an editor for this years 24 Hour Play!

**Avery Moe** - Avery is currently a senior, and she has been part of a couple Hammond Theatre productions since her freshman year. She is honored to have had the opportunity to act once again and to share her playwriting with others for the first time.

**Danielle Gilbert** - Danielle is a Senior this year. Her favorite roles have been Charlotte Purcell in These Shining Lives and a Lamentor in Cinderella. She is grateful to continue theatre with her friends in a virtual capacity in spite of the pandemic.

# BIOS

**Alara Sheriff** - Alara really enjoyed one of her last performances with her peers. She's thankful for this amazing opportunity and hopes everyone enjoys the show!

**Matthew Dietrich** - It was a pleasure directing *Eat the Rich*, written by Avery Moe, and being able to put on such a dramatic play in this virtual format. The actors Sydney Finger, Riley Woodward, and Sarah Meklir have shown their incredible talent and ability in this production, willing to put on multiple hats to help and get it created.

**Deacon Sweeting** - Deacon is a junior and he is a sorta alright dude who has done a few theatre shows and hopes you don't mind this one that we have recently made.

**Kennedy Grant** - Kennedy is excited for her first year in ITS and Theatre Company! She is grateful her collaborated playwright with close friend, Matt, was chosen for this 24 Hour Play.

**Sarah Meklir** - Sarah is thrilled to have the unique opportunity to play both the abductor and the abductee.
